

Инсталляция Oracle InterConnect iStudio 10g (9.0.4.0.0) для сервера приложений Oracle Application Server 10g.

1. Запуск setup.exe с диска-дистрибутива

2. Проверка аппаратных требований и OS

A screenshot of the Oracle Universal Installer window. The window has a blue title bar with the Oracle logo and the text "Oracle Universal Installer". The main area is black with white text. The text shows the progress of the installation, including checking requirements for operating system version, monitor, swap space, and service pack. All checks are marked as "Passed". The window also shows the path to the installation files and a "Please wait ..." message.

```
Oracle Universal Installer
Starting Oracle Universal Installer ...
Checking requirements...
Checking operating system version: must be 4.0, 5.0, 5.1 or 5.2.
Actual 5.0 Passed
Checking monitor: must be configured to display at least 256 colors.
